### **Mission Statement:**

The mission of S.T.Y.L.E. is to create a safe environment toward empowering middle and high school-aged young ladies. We support young ladies by connecting them with a diverse group of professional women to assist with building positive and productive relationships resulting in embracing sisterhood.

### **Vision Statement:**

S.T.Y.L.E. will assist young ladies in becoming self-sufficient young adults by providing the following services/opportunities:

- Educational Support Programs
- Life Skills Development Programs
- Community Service Programs
- Career Exploration Opportunities
- College Preparation Opportunities
- One-on-one Mentoring
- Group Mentoring

STYLE is developing an annual 9-month program that in 2022, prepares young ladies 6th-12th grade, to meet the challenges of adolescence and young ladyhood through a coordinated, progressive series of high-quality activities and learning experiences that help them to achieve social, emotional, spiritual, and physical learning and development. The young ladies participate in group mentoring, community service, and enrichment activities as they gain the ability to lead themselves and others on a course of action. They also gain the ability to analyze their own strengths and weaknesses, set personal and vocational goals, and have the self-confidence and self-esteem to pursue and achieve their goals and be a leader in their community.

We offer Fall, Winter and Spring 4 week sessions during or after school - 2 hour activities on-location.

We give 2 progress updates to show growth over sessions.

At the end of the school year each young lady will participate in our "Transition Ceremony" which celebrates how far she has come over the 12 week program and welcomes her to the next level of her journey. The young ladies receive a lapel pin, a journal.

### **The Journey of Development by grade level:**

**STYLE w/ Poise - Prek -1st**

**STYLE w/Grace - 2nd - 4th**

**STYLE w/Class - 5th - 8th**

**STYLE w/Distinction - 9th-12th**
